- 1st - No Pre-K- Teacher Planning Day
- 1st - Tuition Due
- 4th-8th- Bully Prevention Week
- 8th- Bully Prevention Carnival @3:05
- 13th- Photo Retakes
- 25th-29th- No School- Thanksgiving Break

November Birthdays

- Nora: 11/8
- Malia: 11/15
- Honor: 11/16
- Joey: 11/21
- Kenji: 11/28

Classroom News

This month we will be continuing our theme of fall, farming and learning about some of the holidays that are in November such as, Veteran's Day and Thanksgiving. We will be discussing what we are thankful. We would also love to continue to build our community by sharing some of the fun and unique ways we celebrate holidays or traditions in our families. A tradition is anything your family does together. Attached is a family sheet/project for you to complete together. You may use more than 1 page. Please turn in any time between now and January 7th. This will give families time to plan and be creative together. Once turned in, your child will be able to share it with the class and we will make them into a book for our classroom. We look forward to hearing about all the ways our families celebrate traditions together!

Here are a few good articles on family traditions:

- <http://community.today.com/parentingteam/post/family-traditions-define-your-family>
- <https://youthfirstinc.org/the-importance-of-family-traditions/>

Literacy Tip: Encourage your child to write their name independently. Talk to them about which letters are in their name. If they have mastered writing their first name, encourage them to start recognizing and writing their last name.

Math Tip: Playing simple card games like Go Fish with a deck of cards helps your child begin to recognize numbers 1-10 in a fun way!

Scholastic Book Orders

Please support our classroom by ordering books using our unique code! V6GNQ
When you submit an order we get free books to enhance our class library!

How Sick is Too Sick?

Please click the link to get an updated list of symptoms to look for before sending your child to school.

Thank you for keeping everyone safe!

We also have a current copy located on our licensing board in our classroom if you'd like to take a look!

What we are learning

This month in Math we are continuing to decompose numbers into groups to make number sentences/story. You may have heard your student say "When you have 3 purple flowers and 2 white flowers you have 5 flowers all together!" This is a great skill to introduce simple addition problems. After this unit we will begin Module 2 in math, which will start focusing on 2 dimensional and 3 dimensional shapes.

By the end of our Module your student will have met these many Colorado Academic Standards! Here are just a few:
MATH.PK.1.P.CC.5 - Accurately count as many as five objects in a scattered configuration or out of a collection of more than five objects

MATJ.PK.1.P.CC.E.9- Associate a number of objects with a written numeral 0-5

MATH.PK.P.CC.E.10- Recognize and, with support, write some numerals up to 10.

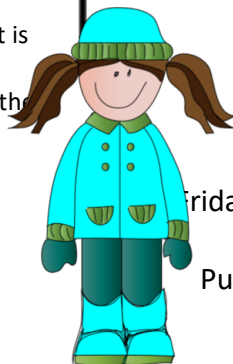

In literacy we will continue to focus on uppercase letters and letter sounds. We encourage students to practice writing their names whenever possible!

Reminders:

Please remember to:

- As the weather is getting chillier, please provide your child with a coat and hat. We appreciate it if items are labeled with their name so we can get them to the right person when they fall out of cubbies. Thanks!
- Check your child's folder once a week and empty it then return the following day!
- Please help us be safe in the parking lot! WWA Parking Lot is a NO PHONE ZONE.
- Please refrain from being on the phone when dropping off/signing in and picking up/signing out your student.

WWA Bully Prevention Carnival and Weekly Themes

Monday- Support your favorite team

Tuesday- Wear your favorite pair of sweats

Wednesday-Wear something with a positive message

Thursday-Wear Orange

Friday-WWA Spirit Wear

WWA is excited to be able to host the Bully Prevention Carnival this year. It will be on Friday November 8th from 3:05-5:00pm and held in the

Punch cards will be available to purchase starting November 4th.
