

WILDCAT CARE

2024-2025

At Wildcat Care we will provide a high quality, yet affordable before and after school program for the children at Woodrow Wilson Academy. We believe every child deserves the opportunity to grow and thrive in a safe and nurturing environment. We are enrichment based and offer exciting ways to experience new things, meet friends, and continue academic development as well. We will use Wilson's Choices to help children learn social skills, emotional regulation and how to problem solve among their peers.
