

GAMING CLUB

THURSDAYS - JAN 9 - MAR 13 - 3:30-5PM

** No club 2/13 - Parent/Teacher Conferences*

Are you ready to play? In gaming club we focus on introducing students to a variety of different games and platforms. We encourage cooperative play and losing with grace. Students will be able to access STEAM games, Minecraft, Roblox, and Paintball 2 among others.

After-school programs can have a positive influence on student attitude, knowledge, and interests which allow them to learn in a fun yet educational manner. For more information about this program, please feel free to contact Mr. Mike Empey (mempey27@gmail.com)
